

FREEDOM HYDRANTS

Patriotic fire hydrants for Andalusia! Help Andalusia become known as the most patriotic place in the South! We will be the only city or town in Alabama, if not the whole South with red, white and blue fire hydrants! "Adopt" a hydrant now, choose a patriotic pattern, (we have several to choose from) and it will be painted for you. It will be your **FREEDOM HYDRANT** for one year. **\$75 tax deductible adoption fee, payable to Old Three Notch DAR.**
